

FLX 70 Enjoy freedom and remain connected

- ▶ FlexFit™ for best possible comfort and quality
- ▶ Closed in-ear speaker design reducing disturbing ambient noise
- ▶ Flexible earhook for perfect individual fit
- ▶ Three sizes silicon sleeves
- ▶ Choice of left or right side wearing

With focus on convenience to complement exceptional sound quality, Sennheiser Communications introduces the FLX 70 wireless mobile headset with FlexFit™ for unsurpassed personal fit and multiple wearing styles.

This gives superior comfort and audio quality for quick or lengthy mobile conversations, when you really need your hands for doing more than holding your cell phone or adjusting your headset.

- ▶ Ear Hook and Lanyard Included for full freedom of wearing style
- ▶ Use with or without earhook
- ▶ Bluetooth 2.0 + EDR + eSCO
- ▶ PC USB charging
- ▶ DSP Supported Noise Reduction
- ▶ Battery Life 6 hrs. (240 hrs. stand-by)
